## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-11, 13-24, 26, and 31-34 are allowed.
2. The following is an examiner's statement of reasons for allowance: Mok et al. U.S. Patent Publication 2002/0147521 does not disclose a laser-based deposition system comprising: a powder delivery system comprising a hopper adapted to contain a powder and continuously feed the powder through an output of the hopper, a metering device adjacent the output of the hopper adapted to receive the powder continuously fed through the output of the hopper, and a vacuum powder removal device operable to remove the powder from the top surface via a vacuum. The allowability, at least in part, resides in this fact.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
